### **COPE's encouraging Performance in Bekkersdal By-Election**

For Immediate release

The Congress of the People (COPE) is encouraged by our performance in the Bekkersdal by-election, where the party secured 4% of the vote. This is an improvement from Ward 5 in the Rand West Local Municipality.

This result reflects growing confidence in COPE's vision and the dedication of our members and supporters. It reaffirms our commitment to serving communities with integrity and accountability.

We thank all who stood with us and call on our members to build on this momentum. COPE remains focused on real change for all South Africans.
