All systems go: COPE ready to launch its Election Manifesto

For immediate release

The Congress of the People is ready to unveil the election manifesto and calls upon South Africans to be part of the event as the party unpacks its plan of action for the next five years.

The party will **tomorrow, Saturday, 06 April 2024**, launch its 2024 General Election Manifesto at **Motjibosane Sports Ground** in Hammanskraal, north of Tshwane.

The Party's manifesto will respond to the many challenges faced by our people in the townships and the rural areas of our country.

Due to its unique setting, Hammanskraal provides a microcosm of broader issues disadvantaged communities face. These include inadequate access to clean water, substandard healthcare, and limited educational opportunities. By holding our manifesto launch there, COPE acknowledges the specific challenges faced by this community and further underscores its commitment to addressing them.

Details of the National Manifesto Launch:

Date: Saturday, 06 April 2024
Time: 10am
Venue: Motjibosane Sports Ground

Ends.
