COPE CALLS ON THE SPEAKER TO RESIGN

For immediate release

The Congress of the People calls on the Speaker of the National Assembly, Nosiviwe Mapisa-Nqankula to resign with immediate effect.

Failure to do so voluntarily will force COPE to table a motion of no confidence in her within a week.

This follows serious allegations of corruption against the Speaker, and today's search of her home by the Investigative Directorate of the NPA. This latest development means that the matter has reached serious proportions.

The parliament of the people cannot be led by a person who lacks integrity.

Ends.
