## **COPE launches the party's manifesto in Hammanskraal**

For immediate release

The Congress of the People will launch the party's 2024 Election Manifesto on **Saturday, 06 April 2024**.

The launch will take place at Motjibosane Sports Grounds in Hammanskraal, Tshwane.

The Party is returning to Hammanskraal Township to respond to the many challenges facing this community over the past 15 years of mismanagement, misrule, and poor leadership under the current government.

Hammanskraal reflects the challenges faced by many townships and rural areas across the country, where most of our people live and have been neglected for many years.

We have heard the struggle of our people in Hammanskraal, therefore, the party will deliver its manifesto launch there, acknowledging the specific challenges faced by this forgotten community and further underscoring commitment to addressing them.
